

Neighbourhood Planning an invitation to help shape a vision for Harrogate

Many Visions

Harrogate's community has many 'visions'

Are they compatible with North Yorkshire Council's vision?

Will the new, county-wide local plan include a vision supported by the 'whole' Harrogate town community?

Is there something we can do to make a positive contribution to the future planning and development of our town?

HBC LOCAL PLAN VISION 2035:
"Harrogate district will be a progressive, vibrant place to live, work and visit. The district will have a sustainable and resilient economy that features new, higher value jobs. The district's high quality built and natural environment continues to be a defining feature."

what is your Vision?

Over 70 local residents have attended preliminary meetings exploring the setting up of a Neighbourhood Plan for the unparished area of Harrogate. Now it is time to share your own vision.

Why not join us? At West Park United Reformed Church on Tuesday 4th June 24 at 7pm when a representative from a local town will share their Neighbourhood Plan before we discuss and take a vote on the next step to create a vision for Harrogate through our own Neighbourhood Plan.
